

Permission	Name	Description
android.permission.ACCESS_CHECKIN_PROPERTIES	Access Checkin Properties	Permission to read or write to the check-in database properties table
android.permission.ACCESS_COARSE_LOCATION	Access Coarse Location	Obtain approximate latitude and longitude information via WiFi or mobile base stations, with positioning accuracy ranging from 30 to 1500 meters
android.permission.ACCESS_FINE_LOCATION	Access Fine Location	Receive satellite positioning information via GPS chip, with positioning accuracy within 10 meters
android.permission.ACCESS_LOCATION_EXTRA_COMMANDS	Access Location Extra Commands	Allow programs to access additional location provider instructions
android.permission.ACCESS MOCK_LOCATION	Access Mock Location	Obtain mock location information, generally used to help developers debug applications
android.permission.ACCESS_NETWORK_STATE	Access Network State	Obtain network information status, such as whether the current network connection is valid
android.permission.ACCESS_SURFACE_FLINGER	Access Surface Flinger	Low-level graphics display support on the Android platform, generally used for game or camera preview interfaces and low-level mode screen captures

android.permission.ACCESS_WIFI_STATE	Access WiFi State	Obtain the current WiFi access status and WLAN hotspot information
android.permission.ACCOUNT_MANAGER	Account Manager	Obtain account authentication information, mainly Gmail account information, accessible only by system-level processes
android.permission.AUTHENTICATE_ACCOUNTS	Authentica te Accounts	Allow a program to access Account Manager related information through account authentication
android.permission.BATTERY_STATS	Battery Stats	Obtain battery usage statistics information
android.permission.BIND_APPWIDGET	Bind App Widget	Allow a program to inform the AppWidget service that it needs to access the widget's database, used by very few applications
android.permission.BIND_DEVICE_ADMIN	Bind Device Admin	Request system administrator receiver, only usable by the system
android.permission.BIND_INPUT_METHOD	Bind Input Method	Request InputMethodService, only usable by the system
android.permission.BIND_REMOTEVIEWS	Bind Remote Views	Must be requested through RemoteViewsService, only usable by the system
android.permission.BIND_WALLPAPER	Bind Wallpaper	Must be requested through WallpaperService, only usable by the system

android.permission.BLUETOOTH	Bluetooth	Allow programs to connect to paired Bluetooth devices
android.permission.BLUETOOTH_ADMIN	Bluetooth Admin	Allow programs to discover and pair new Bluetooth devices
android.permission.BRICK	Brick Device	Can disable the phone, very dangerous, as the name suggests, it can turn the phone into a 'brick'
android.permission.BROADCAST_PACKAGE_REMOVE	Broadcast on Package Removal	Trigger a broadcast when an application is being removed
android.permission.BROADCAST_SMS	Broadcast on SMS Receipt	Trigger a broadcast when an SMS message is received
android.permission.BROADCAST_STICKY	Sticky Broadcast	Allow a program to quickly receive the next broadcast after receiving one
android.permission.BROADCAST_WAP_PUSH	WAP Push Broadcast	Trigger a broadcast when a WAP Push service is received
android.permission.CALL_PHONE	Call Phone	Allow programs to dial phone numbers from non-system dialers
android.permission.CALL_PRIVILEGED	Privileged Call	Allow programs to make calls and replace the system's dialer interface
android.permission.CAMERA	Camera	Allow access to the camera for taking photos

android.permission.CHANGE_COMPONENT_ENABLED_STATE	Change Component Enabled State	Change whether components are enabled
android.permission.CHANGE_CONFIGURATION	Change Configuration	Allow the current application to change configurations, such as location
android.permission.CHANGE_NETWORK_STATE	Change Network State	Change network state such as enabling or disabling network connectivity
android.permission.CHANGE_WIFI_MULTICAST_STATE	Change WiFi Multicast State	Change WiFi multicast state
android.permission.CHANGE_WIFI_STATE	Change WiFi State	Change WiFi state
android.permission.CLEAR_APP_CACHE	Clear App Cache	Clear application cache
android.permission.CLEAR_APP_USER_DATA	Clear App User Data	Clear application user data
android.permission.CWJ_GROUP	CWJ Group Access	Allow CWJ account group to access low-level information
android.permission.CELL_PHONE_MASTER_EX	Cell Phone Master Extended	Cell Phone Master extended permissions
android.permission.CONTROL_LOCATION_UPDATES	Control Location Updates	Allow obtaining mobile network location information changes

android.permission.DELETE_CACHE_FILES	Delete Cache Files	Allow applications to delete cache files
android.permission.DELETE_PACKAGES	Delete Packages	Allow programs to uninstall applications
android.permission.DEVICE_POWER	Device Power	Allow access to low-level power management
android.permission.DIAGNOSTIC	Diagnostic	Allow programs to read and write to diagnostic resources
android.permission.DISABLE_KEYGUARD	Disable Keyguard	Allow programs to disable the keyguard
android.permission.DUMP	Dump System Info	Allow programs to obtain system dump information from system services
android.permission.EXPAND_STATUS_BAR	Expand Status Bar	Allow programs to expand or collapse the status bar
android.permission.FACTORY_TEST	Factory Test Mode	Allow programs to run in factory test mode
android.permission.FLASHLIGHT	Flashlight	Allow access to the flashlight
android.permission.FORCE_BACK	Force Back	Allow programs to force the use of the back button, regardless of whether the Activity is at the top level
android.permission.GET_ACCOUNTS	Get Accounts	Access Gmail account list

android.permission.GET_PACKAGE_SIZE	Get Package Size	Obtain application file size
android.permission.GET_TASKS	Get Tasks	Allow programs to get currently or recently running applications
android.permission.GLOBAL_SEARCH	Global Search	Allow programs to use global search functionality
android.permission.HARDWARE_TEST	Hardware Test	Access hardware auxiliary devices for hardware testing
android.permission.INJECT_EVENTS	Inject Events	Allow access to low-level events of this program, obtaining event streams from buttons and trackball
android.permission.INSTALL_LOCATION_PROVIDER	Install Location Provider	Install location provider
android.permission.INSTALL_PACKAGES	Install Packages	Allow programs to install applications
android.permission.INTERNAL_SYSTEM_WINDOW	Internal System Window	Allow programs to open internal windows, this permission is not open to third-party applications
android.permission.INTERNET	Internet	Access network connection, may generate GPRS traffic
android.permission.KILL_BACKGROUND_PROCESSES	Kill Background Processes	Allow programs to call killBackgroundProcesses(String) method to end background processes

android.permission.MANAGE_ACCOUNTS	Manage Accounts	Allow programs to manage account lists in AccountManager
android.permission.MANAGE_APP_TOKENS	Manage App Tokens	Manage creation, destruction, and Z-axis order, only for system use
android.permission.MTWEAK_USER	mTweak User	Allow mTweak users to access advanced system permissions
android.permission.MTWEAK_FORUM	mTweak Forum	Allow use of mTweak community permissions
android.permission.MASTER_CLEAR	Master Clear	Allow programs to perform a soft format, deleting system configuration information
android.permission.MODIFY_AUDIO_SETTINGS	Modify Audio Settings	Modify sound settings information
android.permission.MODIFY_PHONE_STATE	Modify Phone State	Modify phone state, such as airplane mode, but does not include replacing the system dialer interface
android.permission.MOUNT_FORMAT_FILESYSTEMS	Mount Format Filesystems	Format removable filesystems, such as formatting and erasing SD cards
android.permission.MOUNT_UNMOUNT_FILESYSTEMS	Mount Unmount Filesystems	Mount and unmount external filesystems

android.permission.NFC	NFC	Allow programs to perform NFC near-field communication operations, used for mobile support
android.permission.PERSISTENT_ACTIVITY	Persistent Activity	Create a persistent Activity, this feature is marked to be removed in the future
android.permission.PROCESS_OUTGOING_CALLS	Process Outgoing Calls	Allow programs to monitor, modify, or abandon outgoing calls
android.permission.READ_CALENDAR	Read Calendar	Allow programs to read user's calendar information
android.permission.READ_CONTACTS	Read Contacts	Allow applications to access contact address book information
android.permission.READ_FRAME_BUFFER	Read Frame Buffer	Read frame buffer for screen capture
com.android.browser.permission.READ_HISTORY_BOOKMARKS	Read History and Bookmarks	Read browser favorites and history
android.permission.READ_INPUT_STATE	Read Input State	Read current key input state, only for system use
android.permission.READ_LOGS	Read Logs	Read low-level system logs
android.permission.READ_PHONE_STATE	Read Phone State	Access phone state
android.permission.READ_SMS	Read SMS	Read SMS content

android.permission.READ_SYNC_SETTINGS	Read Sync Settings	Read sync settings, read Google online sync settings
android.permission.READ_SYNC_STATS	Read Sync Stats	Read sync status, obtain Google online sync status
android.permission.REBOOT	Reboot	Allow programs to reboot the device
android.permission.RECEIVE_BOOT_COMPLETED	Receive Boot Completed	Allow programs to run automatically at boot
android.permission.RECEIVE_MMS	Receive MMS	Receive MMS messages
android.permission.RECEIVE_SMS	Receive SMS	Receive SMS messages
android.permission.RECEIVE_WAP_PUSH	Receive WAP Push	Receive WAP PUSH information
android.permission.RECORD_AUDIO	Record Audio	Record sound through phone or headphone microphone
android.permission.REORDER_TASKS	Reorder Tasks	Reorder system Z-axis running tasks
android.permission.RESTART_PACKAGES	Restart Packages	End tasks through restartPackage(String) method, this method will be abandoned in the future
android.permission.SEND_SMS	Send SMS	Send SMS messages
android.permission.SET_ACTIVITY_WATCHER	Set Activity Watcher	Set Activity watcher, generally used for monkey testing

com.android.alarm.permission.SET_ALARM	Set Alarm	Set alarm reminders
android.permission.SET_ALWAYS_FINISH	Set Always Finish	Set whether programs always exit in the background
android.permission.SET_ANIMATION_SCALE	Set Animation Scale	Set global animation scale
android.permission.SET_DEBUG_APP	Set Debug App	Set debug program, generally used for development
android.permission.SET_ORIENTATION	Set Orientation	Set screen orientation to landscape or standard display, not for ordinary applications
android.permission.SET_PREFERRED_APPLICATIONS	Set Application Parameters	Set application parameters, no longer functional. See <code>addPackageToPreferred(String)</code> for details
android.permission.SET_PROCESS_LIMIT	Set Process Limit	Allow programs to set the maximum number of processes limit
android.permission.SET_TIME	Set System Time	Set system time
android.permission.SET_TIME_ZONE	Set System Time Zone	Set system time zone
android.permission.SET_WALLPAPER	Set Wallpaper	Set desktop wallpaper

android.permission.SET_WALLPAPER_HINTS	Set Wallpaper Hints	Set wallpaper recommendations
android.permission.SIGNAL_PERSISTENT_PROCESSES	Signal Persistent Processes	Send a persistent process signal
android.permission.STATUS_BAR	Status Bar Control	Allow programs to open, close, or disable the status bar
android.permission.SUBSCRIBED_FEEDS_READ	Access Subscribed Content	Access the subscribed information database
android.permission.SUBSCRIBED_FEEDS_WRITE	Write Subscribed Content	Write or modify the subscribed content database
android.permission.SYSTEM_ALERT_WINDOW	Display System Window	Display system window
android.permission.UPDATE_DEVICE_STATS	Update Device Status	Update device status
android.permission.USE_CREDENTIALS	Use Credentials	Allow programs to request authentication from AccountManager
android.permission.USE_SIP	Use SIP Video	Allow programs to use SIP video services
android.permission.VIBRATE	Use Vibration	Allow vibration
android.permission.WAKE_LOCK	Wake Lock	Allow programs to keep background processes

		running after the phone screen is turned off
android.permission.WRITE_APN_SETTINGS	Write GPRS APN Settings	Write network GPRS access point settings
android.permission.WRITE_CALENDAR	Write Calendar	Write to calendar, but not read
android.permission.WRITE_CONTACTS	Write Contacts	Write to contacts, but not read
android.permission.WRITE_EXTERNAL_STORAGE	Write External Storage	Allow programs to write to external storage, such as writing files on SD card
android.permission.WRITE_GSERVICES	Write Google Maps Data	Allow programs to write Google Map service data
com.android.browser.permission.WRITE_HISTORY_BOOKMARKS	Write Bookmarks and History	Write to browser history or bookmarks, but not read
android.permission.WRITE_SECURE_SETTINGS	Read/Write System Sensitive Settings	Allow programs to read and write system security-sensitive settings
android.permission.WRITE_SETTINGS	Read/Write System Settings	Allow reading and writing of system settings
android.permission.WRITE_SMS	Write SMS	Allow writing SMS messages
